

Fishing license in river Kongsfjord

- You can buy a fishing license everyday in the sales cabin from 5pm to 7pm. You can reserve a fishing license in advance by calling the sales cabin on +47 90891950 (6pm to 7pm everyday)
- A license is valid from 6pm to 6pm the next day (24 hours). It is forbidden to fish between 1am to 6am.
- The license you buy gives you permission to fish in the zone the license you have bought. You can not fish in zone 1 with a zone 2 license.
- As a fisherman it is your responsibility to be updated on the rules for fishing. The rules might be changed throughout the season, if the fishing stock require it.
- River Kongsfjord is a protected watercourse, and the government require a evaluation mid-season. Everyone must deliver their catch report before 18th of July.
- Senior license is available for citizens in Berlevåg that's been a member of 10 years and above 65 years. The license gives you permission to fish in zone 1, 2 and 3. The license is valid for two periods: 22nd of June – 18th of July, and 19th of July to 24th of August. The second period is free of charge, if you already bought the first period.
- Youth below 16 years with a membership/or are citizen in Berlevåg, can buy a license for a month. But they must let the riverguard know when they are fishing. This is because it is a limit on numbers of fishermen in the river.
- If you buy a season license or senior license, you have to deliver a catch report two times: 18th of July and within 7 days of the end of the season. We encourage do deliver a weekly catch report.
- **NB! If you do not deliver the catch report within mid-season (18th of July), or by the end of season, you are not allowed to buy a license next season.**
- According to the contract between BJFF and FeFo and the law of Finnmark, it is the registered address on each fisherman, that define which price-range you belong in. This includes members in BJFF. That's why we have different price-range according to your address and if you are a member of BJFF. If you do voluntary work (VW) also count in the price-range.
