

# Prices in Storelva (Berlevåg) 2024

## License Purchase:

- Fishing licenses can be bought daily at the guard cabin from 17:00 to 18:00.
- Pre-order licenses for Zone 1 by phone at 919 26 422 (17:00-18:00).
- Fishing day lasts from 18:00 to 18:00 the next day. There is a no-fishing period from 01:00 to 06:00.
- Fishermen must familiarize themselves with and follow current fishing regulations. Regulations may change during the season based on stock conditions.
- Youth under 16 who are members and/or residents of Berlevåg can purchase a monthly pass.
- Weekly catch reports are mandatory for season pass holders. Daily pass holders should submit their catch report as soon as possible after the fishing day ends.
- Those who fail to submit required catch reports will lose the right to buy fishing licenses next season.
- Address in the national registry determines price category, including for members. Different price categories exist for members with and without volunteering, and residents of Berlevåg, Finnmark, and outside Finnmark.
